Dear Madam,

We express gratitude towards your approval.

We are currently in touch with the Parks and Garden Department regarding the allocation of land. Once we receive confirmation, we will share a detailed proposal outlining requirements and scope of work.

We would also plan and coordinate a site visit and discuss the plan further.

Warm regards,

Hello Team,

We wish to inform you that in accordance with CSR Annual Action Plan, the Board has approved a tentative budget of Rs. 25 Lakhs for FY 2025-26 towards CSR projects with United Way of Baroda.

In this regard and basis the concept note shared earlier, we wish to consider the **"Miyawaki Afforestation Project"** for this Financial Year.

So request you to please initiate necessary processes/approvals as may be required for implementation of the above.

Thanks and Regards,

Dear Madam,

Greetings from United Way of Baroda !

Please find below the details of the two green belt locations identified and provided by the Parks and Garden Department VMC, for the proposed development of **Miyawaki Dense Oxygen Parks**. The site details are as follows:

1. **Location 1:** Bill – T.P. 01, F.P. 114
2. **Location 2:** Sevasi – T.P. 02, F.P. 162

We believe both sites offer strong potential for implementing impactful urban afforestation using the Miyawaki methodology.

To take this forward, we propose scheduling a **joint field visit to both locations on Wednesday i.e. 11/06/2025 , subject to your availability and convenience**. This visit will help us assess the feasibility and plan the development in alignment with ecological and community objectives.

Kindly confirm your availability, or do let us know an alternative date that works better for you.

Looking forward to your response.

Dear Mr. Porwal ji,

Greetings from United Way of Baroda!

Concerning your email, please find below a preliminary overview of the proposed phase-wise implementation plan for the upcoming project:

Phase 1 (FY 2025–26):

We propose to initiate the Miyawaki plantation activity during this financial year. Preparatory groundwork and plantation execution will be undertaken in alignment with ecological and seasonal considerations.

An estimated budget of ₹25 lakhs has been earmarked for this phase during the current financial year.

Phase 2 (FY 2026–27):

In phase 2, other scope of work as defined is proposed in the next financial year as part of the continued infrastructure and community development efforts, along with Next year's Maintenance Cost

Estimated Budget: The remaining budgetary allocation will be planned for FY 2026–27.

A comprehensive, phase-wise implementation plan with detailed components, timelines, and financials will be shared with you within the next 2–3 working days.

We truly appreciate your support and understanding, and apologize for the delay in our response. Please feel free to reach out to us for any further clarifications.

Thanks
