Dear Sir,

Greetings from United Way of Baroda !

We are pleased to share with you our proposal under the **Smart Anganwadi Initiative**, developed in close coordination with the **Program Officer, ICDS Vadodara**. As AWCs at Moksi are currently unavailable, three AWCs from Karkhadi Seja have been included in the proposal.

The initiative is aligned with the **National Education Policy (NEP) 2025**, which emphasizes strengthening the **foundational stage of education**. By upgrading Anganwadi Centres into Smart Anganwadis, this project will significantly enhance early childhood care, education, and overall child development.

Please find attached the detailed proposal for your kind review and support.

Please feel free to contact in case of any query.

Dear Ashish Ji,

Greetings of the day!

With reference to your concern, please note that in **Moxi**, there are **three AWCs**, out of which **AWC-1 does not require any renovation work**, while **AWC-2 and AWC-3 have already been undertaken by the Government**.

However, as mentioned in the letter, **all AWCs in Moxi require Kitchen Utensils, Storage Cupboards, Smart TVs, and other necessary items**.

In **Kadodara Dahej Village**, there are **no AWCs that require renovation work**.

For your reference, I have attached the **mail and letter received from the CDPO and PO**. Kindly suggest the way forward regarding the above-mentioned requirements.

Should you require any further clarification, please feel free to contact us.

Thanks,
