PROJECT DETAILS						
Project No	UWB/2025-26/CSR/026					
Project Date	2025-11-04					
Project Type	CSR					
Project Particulars	The Smart Anganwadi Project aims to transform traditional Anganwadi Centres (AWCs)—the cornerstone of India's Integrated Child Development Services (ICDS)—into modern, safe, and technology-enabled learning and care hubs. Addressing long-standing challenges such as poor infrastructure, inadequate sanitation, limited digital access, and insufficient learning materials, the project focuses on building child-friendly spaces equipped with digital tools, improved nutrition and health systems, and the Jadui Pitara play-based learning kit. Aligned with the National Education Policy (NEP) 2020 & 2025, Smart Anganwadis will strengthen early childhood care and education (ECCE), enhance maternal and child well-being, and empower rural communities through holistic, inclusive development.
