PROJECT DETAILS						
Project No	UWB/2025-26/CSR/027					
Project Date	2025-11-15					
Project Type	CSR					
Project Particulars	The Smart Anganwadi Project focuses on constructing modern, safe, and child-centric Anganwadi Centre (AWC) that serve as advanced learning and care hubs for early childhood development. Designed to address long-standing gaps in infrastructure, sanitation, digital accessibility, and availability of age-appropriate learning resources, the new AWCs will provide upgraded facilities including improved nutrition and health spaces, child-friendly classrooms, and integrated digital tools. Each centre will also feature the Jadui Pitara play-based learning kit to enrich early learning experiences. Aligned with the National Education Policy (NEP) 2020 & 2025, the newly constructed Smart Anganwadis aim to strengthen Early Childhood Care and Education (ECCE), enhance maternal and child well-being, and empower communities through holistic and inclusive development.
